He just doesn't pay attention to the details. And we've mentioned Bradley's name many, many times.

Attached is the presentation by UCSC School of Environmental and Nuclear Policy at the Bayview Hunters Point Environmental Justice Response Task Force meeting in April.

Dear Mr. Bradley/Mr. Hirsch,

I requested the UCSC presentation given at the April 21, 2016 Greenaction meeting, but have not received it. Please send me a copy.

Without a copy of this presentation, it is very difficult/impossible to respond to the allegations presented by UCSC to Greenaction and the community. I assume that everyone wants an informed discussion, which is also not possible without this information.

I recommend discontinuing further discussion of this topic until the presentation has been sent.
